Dear Sunita

Tomorrow I'm leaving New Zealand and going to spend a year in England. It'll be great. I stop in Fiji and the United States on the way.

I'm going to work in a school for children from 5 to 13 years old. It's a boarding school where children live during the term. I have to live and work in one of the girls' houses. I have to cook and help with games and hobbies and be an 'older sister' to the girls in my house.

I heard about the job from my mum's friend Anita. Her son was a student at the school. My friend Inez is also going to work in the same school.

Two other friends are flying with us tomorrow. They are going to work as waiters in a restaurant in a town near the school. Inez and I want to eat at the restaurant. I hope it isn't too expensive!

After our year in England, we want to go to university. I want to be a doctor. Inez wants to be a chemist. We're hoping to go to the same university.

I'll write and tell you about my new life.

Love

Sally
