Make sure your students are fully prepared

Student books, teacher's books & cassettes

- 6 student books, 6 teacher's books and 6 cassettes, each mapped to the 6 levels of the qualification and the Common European Framework

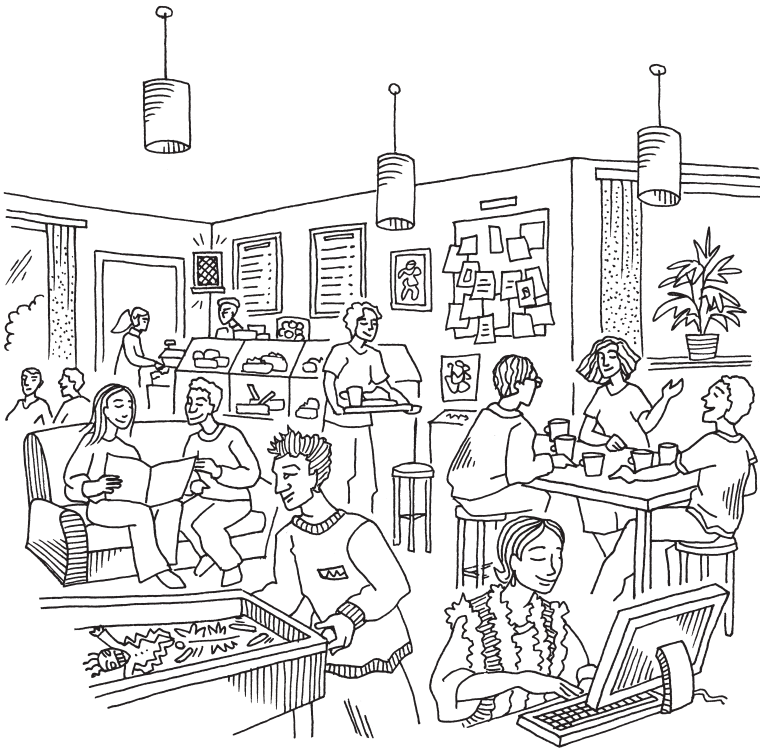

Focused exam preparation

- The books are dedicated to preparing students for their exams. Features include:
 - Test practices at the end of each section
 - Sample exam paper in every book
 - Tips from the examiners throughout
 - Numerous exercises in the style of exam tasks
- Directly mapped to the structure of the exam, ensuring that students know what to expect

Authoritative

- Our expert authors have taught, developed and examined the International ESOL qualifications. They understand the exams and how best to prepare for them

Give your students exam confidence

Time-saving

- Designed to save time and effort, providing teachers with relevant and useful support materials for each level of the exam
- The Teacher's Books contain all of the information in the Student Books, along with answers and teaching suggestions
- Clear syllabus guide and grammar, topic and function lists for each level in the Teacher's Books
- Audio cassettes provide a wide range of Listening exercises, in natural, spoken English, created to match each level of the exam

Engaging and fun

- The books are flexible and easy to navigate – tutors can adapt/use them regardless of class sizes and learning requirements
- The layout, pictures and graphics are bright, bold and appealing, making the materials and classroom activities engaging and fun

Special introductory offer

10% discount on classroom sets

City & Guilds is pleased to announce the publication of its International ESOL support materials:

- 6 student books
- 6 teacher's books
- 6 cassettes.

Mapped to the 6 levels of the award, these materials offer valuable test practice and are designed to aid confident test performance.

To mark their publication, you are invited to take advantage of a special **10% discount*** on sets of a single title. This offer applies to classroom sets of 10 copies of a single student book; or centre sets of 5 copies of a single teacher's book or cassette. Smaller quantities can, of course, be purchased at the non-discounted price.
